

## **Company Profile LambdaNet Communications Deutschland AG**

LambdaNet Communications Deutschland AG is a premier provider of telecommunication and Internet services. Well-known customers, namely network operators, Internet service providers, industrial corporations, banks and insurances, service providers and retailers rely on LambdaNet's services.

LambdaNet operates one of the most sophisticated fibre-optic and IP/MPLS networks in Europe, covering more than 40 cities in 11 countries, including metropolitan networks to 6 major European business centres. LambdaNet provides global VPN solutions based on a network of cooperation partners.

The company's service portfolio includes state-of-the-art IP/MPLS data services, high-availability Internet services, integrated voice services, bandwidth transmission services up to 10 Gigabit per second as well as hosting services based on LambdaNet's 25 data centres.
