

CURRICULUM VITAE

Christoph Hellrung **Board Member (CFO)**

After successfully completing a course of studies in economics, graduating with a degree in business administration, Christoph Hellrung joined one of Germany's leading accounting companies. During his service there, he took the tax consultancy examination and was then engaged primarily in tax consultancy and auditing in the energy sector.

In May 2006 he transferred to a company of the renewable energy market and took charge of the portfolios Financial Controlling, Taxes and Investor Relations with commercial powers of attorney. As of January 2008 Christoph Hellrung has been appointed to the Executive Board.

In April 2009 he transferred to LambdaNet Communications Deutschland AG as Head of Finance and Administration.

He was appointed Chief Financial Officer of LambdaNet Communications Deutschland AG in March 2010.
